Vendors:

We are not able to have a vendor area or accommodate any vendors this year due to the space limitations of the Cathedral, combined with the additional demands of having the Presiding Bishop in attendance.

We value our vendors, and look forward to having them at our next convention. All vendors will be invited to send their contact and/or website information to be distributed at the Convention.

Presiding Bishop:

The Presiding Bishop will be in attendance at the convention as an observer. The opportunity to see and hear the Presiding Bishop will be provided at the Saturday morning Eucharist or the Friday evening reception (RSVP and ticket required). All guests are encouraged to use this time to welcome our guest.
