Announcing the Diocesan Summer Youth Mission Trip 2011!

The diocese is traveling to Pine Ridge American Indian Reservation in South Dakota to help improve reservation life for the Lakota tribe.

Here's what re-member has to say about this mission opportunity,

"Coming to Pine Ridge will be a life-changing experience. At Re-Member, we provide a "service-learning" experience that gives our volunteers not only the chance to work across Pine Ridge with our Lakota friends, but the chance to be immersed in Lakota culture. At Re-Member, we believe that forming relationships with the Lakota people and studying their history, culture, and spirituality as we grow in our understanding about their lives and their culture is as important as the work we do."
